

SPECIFICATION AMENDMENTS

Please replace the paragraph beginning at page 7, line 1,
with the following amended paragraph:

For fastening inside the cage, the retaining bars 5 include
an outwardly projecting latch hook 7 (see Fig. 2), which
interacts with a corresponding counter-latch 17 in the cage
4.

Please replace the paragraph beginning at page 8, line 25,
with the following amended paragraph:

Fig. 3 is a front view of the computer shown in Fig. 1. A
case 14 for an ID card reader, a card slot 15 and a lock 16
for locking the computer is integrated into the top side of
the front panel in the represented embodiment.
